Graphite Stone

Decorative Flakes are incorporated in Seamless epoxy and Polyurethane floor systems. A great alternative to other types of floor and wall coverings. Decorative, tough, low maintenance, durable and hygienic. Suitable for floors, walls and other surfaces in any domestic or commercial situation.

NOTE: All samples shown are over Australian Standards colour N23 (Neutral Grey) – any other base used will alter the appearance.

NATURAL STONE RANGE

Available in 4 Kilo Pails (approx 15m² coverage)

Natural Stone Range has an appearance that is a cross between stone, granite and polished concrete – a look that is very much on trend. Available in 10 stylish colours that would suit any area indoors or out.

Natural Stone

Examples of benefits:

- Does not harbour bacteria
- Highly resistant wearlayer
- Suitable for many areas
- Easily maintained
- Seamless
- Aesthetically pleasing
